BATTERY CARE TIPS

Your charging habits are textbook. This pack will go the distance.

Full battery report →

Asset-protection in action

Aggressive driving + 42 °C parking trips a battery-health warning and cuts the credit payout — nudging better behaviour.

PERSONALISED ACTIONS

Lean on AC home charging — frequent DC fast-charging speeds up fade.
high impact

Set a daily charge limit of 80%; reserve 100% for road trips. high impact

Plug in before dropping below 20% to avoid deep discharges.
medium impact

Park in shade / use pre-conditioning — heat is the battery's enemy.
medium impact
